Now you can have a beachside apartment for less than you imagine.~~A spacious, comfortable home with plenty of natural light. There are no buildings in front, so the view is open and you really feel the space. And an important detail: being on the fourth floor, the light comes in beautifully, but without direct sun —perfect if you want a bright and fresh home all year round.~~The location makes life easy: close to the centre and with all essential services nearby. Supermarkets, cafés,

restaurants, public transport... everything flows effortlessly here.~~In summer, the communal pool is that little break you'll appreciate after a long day, or simply to disconnect for a while.~~If you're looking for a practical, well-located apartment with pleasant light, this could be the one.~Come and see it!~
