We are pleased to present this top-floor bungalow in the popular Punta Prima area.~~The residential complex is just a short walk from the main

areas of Punta Prima, where you will find bars, restaurants, shops, and supermarkets, and also just a few minutes further from the beach. Within the complex, you will find relaxing swimming pools and a jacuzzi, a children's playground and gym, as well as a staircase leading to the underground parking.~~Upon arrival, you will notice that the property is a corner plot, meaning it has no neighbors on one side. From the front terrace, you can enjoy views of the communal areas and another staircase leading to the private solarium, where you can soak up the sun all day long and enjoy sea views. Inside, you will find a bright living-dining room with a fully equipped open-plan kitchen. There are three bedrooms and a bathroom, one of the bedrooms being en-suite and having a small terrace.~~The property is part of the new residential complex built in 2024. It still retains the charm of a new build and all its original features. This is your chance to own a nearly new property in Punta Prima!~~Expenses and taxes not included.
