~When Laura and Daniel were looking for a home by the sea, they knew they wanted more than just a holiday place. They dreamed of somewhere where summer never really ends — where afternoons stretch on between laughter, sunlight, and sea breeze. A home that combines comfort, warmth, and Mediterranean charm. That's how they found this beautiful bungalow in Punta Prima: bright, spacious, and designed to enjoy every moment.~~For years, this has been their favorite corner of the coast: peaceful breakfasts on the upper terrace, long lunches downstairs with friends, and afternoons by the pool while the kids played safely inside the gated community. Now, with new adventures ahead, Laura and Daniel are offering this home filled with joy and beautiful memories to its next owners.~~This property offers all that and more — space, natural light, privacy, and an unbeatable location in one of the most sought-after areas on the Mediterranean coast.~~Here's what you need to know about the home:~~
