Edificio Escandinavia is in Torrevieja on El Cura beach, one of Torrevieja's most famous. Just a few metres from the seafront promenade with kilometres of coast, bars, restaurants and boating marinas, it's a great place to enjoy all the city's attractions.
Although it is close to the city centre, it is in a quiet spot and has everything you need for year-round living, surrounded by the local population.
This building is divided into two blocks of 19 homes with 2 or 3 bedrooms. All have spacious balconies for enjoying sunshine and sea

breezes. The solarium features a common leisure area with swimming pool and barbecue for use by residents of both blocks.
